Vacation

Secondary Spotlight

Kent City MS/HS

Dear KCMS/KCHS Families,

We say it time and time again, but it really is difficult to believe that we are in the final month of the calendar year and that 2024 is right around the corner. The winter season is always a busy time around Kent City with athletics, a drama production, and the activities that all take place. If you're like me, the short days with limited daylight can be a struggle so keeping busy watching our students engage in extracurricular activities is a welcome distraction. I am especially excited to see our high school students on college campuses during the month of December as we reestablish our annual field trip. Read on for Highlights and Reminders. Happy Holidays to you and your family. Go Eagles!

Sincerely,

A handwritten signature in black ink that reads 'Jordan Stuhan'.

Jordan Stuhan

Highlights and Reminders

Job Shadows and College Field Trips

Kent City High School requires that every student have a minimum of two job shadow experiences before graduation. Mr. Wilson arranges several opportunities for students to gain these experiences during the school year. Most recently, a group of students visited both SnackCraft in Kentwood and fairlife in Coopersville for a tour. Additionally, on December 6th, all KCHS students will be attending a college visit fieldtrip to Ferris State University, Davenport University, or Grand Rapids Community College.

Thanksgiving Food Drive

During the month of November, KCMS students participated in our annual Thanksgiving Food Drive. As a building, we collected over 605 food items and \$492.25 in donations! Mrs. Funk's WIN collected the most items and will be awarded a pizza party to celebrate their achievement. Thank you to all of our students and families who participated.

KCCS Athletics
