Secondary Spotlight

Kent City MS/HS

Dear KCMS/KCHS Families,

The leaves are changing colors and it seems that the majority of them have chosen to fall in my front yard. It is certainly fall in Kent City. I hope that our students enjoyed our Fall Break in October. November will see the end of the first marking period, Veteran's Day, Thanksgiving, and potentially a few snowflakes. Our fall extracurricular schedules are coming to a close and it will soon be time for our winter offerings to kick into high gear. No matter what the season, there are always exciting things happening around our campus. As we look forward to November, please read on for important dates and highlights. Go Eagles!

Sincerely,

A handwritten signature in black ink, appearing to read "Jordan Stuhan".

Jordan Stuhan

Highlights and Reminders

Video and Graphics

You likely know that the new video boards at the entrance to KCMS/KCHS and on the scoreboard at Ward Memorial Field were provided in the recently completed bond construction project. But did you know that Kent City High School students in Mr. Smith's Multimedia and Graphic Design classes are responsible for the wonderful graphics and videos that are displayed in these two locations? They also create the Academic Spotlight graphics that you can see on our website!

KCTC Pro of the Month

The following Kent City High School students were selected as Pro of the Month at the Kent Career Tech Center (KCTC).

- Nataly Ramirez-Garcia – Engineering
- Tyler Norkus – Digital Animation & Gaming

Michigan Lottery Excellence in Education

Kent City MS teacher, Ashleigh Sutton, was chosen as a weekly winner of the Michigan Lottery Excellence in Education program in October. She travelled to Lansing to participate in a recorded interview and award ceremony. Congratulations!
