No School – Spring Break

Secondary Spotlight

Kent City MS/HS

Dear KCMS/KCHS Families,

Last year at this time, I wrote about how February (of 2023) had been one of the sunniest on record. This year, not only did we see the sun in February, but temperatures were abnormally warm. All of this has got me very excited for the arrival of spring! Once we hit spring break, it always feels like we are set up for a mad dash to the finish of the school year in June. I am very proud of the work being done by both students and staff and I know that the arrival of sunshine and warmer spring weather will do wonders to improve everyone's spirits for the home stretch. Read on for Highlights and Reminders as we head into March. Go Eagles!

Sincerely,

A handwritten signature in black ink that reads 'Jordan Stuhan'.

Highlights and Reminders

KCHS/KHS Student Swap

The student swap experience that Kent City High School and Kelloggsville High School have partnered in has been a huge success. Judging solely by the enthusiasm and stories told by the students who are participating, it is obvious that having an opportunity to meet new people and experience what school is like in a different location has been an insightful and exciting opportunity for our kids. This has provided a unique connection between our schools and it is exciting to see how much we can learn from one another. Go Eagles! Go Rockets!

MTSS/PBIS

The building wide Multi-Tier System of Supports (MTSS) and Positive Behavior Interventions and Supports (PBIS) initiative has been an ongoing process at KCMS and KCHS this school year. Students are now able to receive tickets for displaying the expected behaviors in different locations around each building. These tickets can be used at the school store that will be opening for the first time this spring.
