THE FIRST FOUR DAYS!

Students at KCMS started the year with our First Four Days. This included following their regular schedule on Monday, but an altered schedule the rest of the week to accommodate Family activities. Our goal with this time is to build community, get to know new people, and form relationships between teachers and students.

8TH GRADE FIELD TRIP

8th graders will be taking a field trip on Tuesday, September 17 to the Kent Intermediate School District for the 2024 Tech Showcase. The event will feature many hands-on displays for students to explore careers in the field of Technology. Students will depart around 8am and return around 10:50am.

STRIVE FOR FIVE

Regular school attendance is vital for your child's academic success and personal growth. Each day of learning builds on the previous one, and consistent attendance helps students stay engaged, keep up with their studies, and develop important social skills. We encourage you to prioritize your child's attendance, as it sets the foundation for lifelong learning and success.

Please review the resources below from Kent ISD and contact us with any questions about your student's attendance.
